 a.n. Surrey is a made up character my
friend wanted to put in the fanfic.

>It was a hot summer day in the real world. It was just after The  
kids had returned. After they <br>got back, Sora and Tai confessed  
their love to each other and so did TK and Kari. Matt started

>seeing Surrey and Joe, well...Joe was Joe.\*lol\* Now what about Izzy  
and Mimi? What happened to <br>them? Here's the story...

><br>"I miss Palmon..." said Mimi. She had been so depressed since  
coming back to the real world and

>not having Palmon as a shoulder to cry on. But then again, there was  
Izzy. She always hid <br>her true feelings about him behind her ditzy  
mask but he was the only one who could make her take

>off that silly act and become sweet, true Mimi. "Who's Palmon?"  
Asked Mrs. Tachikawa. "No one!" <br>said Mimi, jumping up from her  
daze. "Come on! It's time to try on your new dress!" "Dress?"

>said Mimi, still half-dreaming. "Yes, dear. Didn't you remember?  
It's Izzy's birthday today! <br>He invited you!"

><br>.. o O (YES!!!!) thought Mimi. .. o O (He has feelings for me  
too!) "Mimi? Are you there?"

>asked her mother. "Oh, yeah Mom. Ummm...Be right out!" "But..." Mimi  
slammed her door. "I didn't <br>give you the dress yet..." trailed  
off Mimi's mom.

><br>\*\*\*Izzy's Party. 1:00 p.m.\*\*\*

><br> "Happy Birthday izzy!" said Tai and Kari together. They shoved a box in his stomach and Tai  
>headed towards the food and Kari headed towards TK and "The Makeout Room". "Kari! TK!" yelled <br>Matt. "That room's not for you!"  
"Sorry! I thought it was the bathroom!" Yelled TK across  
>the room. "It's on the right!" yelled Izzy to TK. The doorbell rang.  
\*ding-dong!\* "Oh hey Mimi! <br>Glad you made it!" said izzy ushering his guest in. "I almost got sick!" "Sick? Are you feeling  
>OK?" Asked izzy. He put his hand on her forehead and checked her temperature. "101 degrees! I <br>better get you a towel! Hold on..."  
Izzy ran out of the room and got a wet towel and put it  
>on the back of her neck. "I don't wanna watch that!" yelled Surrey. She snatched the remote <br>from Tai. "But i do wanna watch it!" tai snatched the remote back from Surrey. "Hey guys!  
>SHUT UP!!!" Yelled Izzy. "Mimi isn't feeling well." "What's wrong?" asked Joe. "Temperature of <br>101 degrees and rising." reported Izzy to Joe. "Need a chip?" asked Tai. "Tai! The last thing  
>she needs now is chips!" Said Izzy. "Sorry..." mumbled Tai and he went back to trying to steal <br>the remote from Surrey. "izzy, do you have a guest room?" asked Joe. "Yes." "We'd better put  
>Mimi in there with a fan to cool her down." "OK." Izzy picked up Mimi with his hands and <br>carried her towards the guest room. "Wo! Izzy! You've been taking steroids or something?"  
>Asked TK. "Yes, but that's not the point. Mimi's got a fever and needs to go to sleep." "Ok<br>everyone, let's just watch a movie."  
Said Surrey. Izzy closed the door and plopped down  
>on the couch.<br>  
>\*\*\*One hour later\*\*\*<br>  
>"Guys I'd better check on Mimi." Said izzy. He got up from his now crumb-infested couch and <br>opened the door. "Mimi? You awake?" said izzy quietly. "izzy? that you?" said mimi weakly.  
>"yes it's me. Are you ok?" "I feel sick..." Izzy started to get up to get a pan in case she <br>threw up but: "Don't leave!" moaned Mimi. "Why not?" asked izzy. "I have to tell you something."  
>said mimi mysteriously. "What is it?" asked Izzy, curiously. He sat down on the bed and Mimi <br>sat up straight. "I was really glad when you invited me to the party." "Well you're one of  
>my friends. Is it wrong to invite your friends?" "No...it's not that..." "So what is it?" Mimi <br>leaned over and kissed Izzy on the lips. "What is she doing? It feels nice..." thought Izzy.  
>"He's kissing back! I<br> know it!"

><br> "He's been in there a long time, Tai. Think we should check on Izzy and Mimi?" asked Surrey. "That's a good idea, Surrey, but  
> I'm too lazy to do it. And besides, Sora is sleeping on me so I can't get up. "I'm up!" said Sora. "Ha! go on Tai...." said Surrey<br> cruelly. Tai got up and knockd on the door lightly. No one answered. He knocked a bit louder, but still no answer. Tai  
> opened the door and immediately regretted it. There in front of him, was Izzy and Mimi in a passionate kiss on the bed. Izzy<br> looked up. "Tai!" "Izzy?" "Oh damn! Get out of here you peeping tom!" "Tai, you have to swear you'll NEVER say what you  
> saw to anyone. Got it?" said Izzy seriously. "Yeah...I think so..." said Tai in shock.<br>  
> \*\*\*The next day at school\*\*\*<br>  
> A boy whistled at Izzy in the hallway. Izzy could only think of one person who knew and could tell about his secret. Tai. "Hay<br> little man! What up with you and Mimi, loverboy?" said one. Girls made fun of him, Boys teased him even more. "It could be  
> worse..." Thought Izzy. "It is worse, Izzy." said Mimi. "Aah!" yelled Izzy. "Don't scare me like that!" said Izzy. "Sorry. But it is<br> worse! Everyone in school knows!" "Ooh...Tai's in for it now!!!" said Izzy with clenched teeth.  
><br> \*\*\*\*\*  
><br> It was 3:30 p.m. and Izzy had just rang the Kamiya residence doorbell. "Is Tai there?" asked Izzy. "Yes he is. Hold on a sec.  
> Tai! Izzy's here!" "Coming!" Izzy heard Tai's voice from inside. "Do come in. Would you like some juice?" "No thanks, Mrs.<br> Kamiya" Tai came out in socks and an old t-shirt. "Yes Izzy?" Izzy was now steaming with rage. He motioned to Tai to come  
> into Tai's room. He closed the door. Then through gritted teeth, Tai could make out the words: "How could you? We said it was<br> a secret!" "But Izzy! I can explain!" spluttered Tai. "You have 60 seconds to explain yourself, Taichi Kamiya." said Izzy darkly.  
> "I saw you and Mimi kissing on the floor. I didn't know what to say!" started Tai. "I went back to the party and Surrey asked<br> me what it was. I was still in shock so I told Surrey and knowing Surrey has a huge mouth, she told everyone she know and..."  
> "Time's up Taichi..." Izzy lunged at Tai ready to fight. "Izzy! What are you doing?" "This!" He punched Tai in the chin giving him<br> an uppercut. "You wanna play rough?" said Tai. "Maybe This'll fix your wagon!" He punched Izzy in the chest knocking the  
> wind out of him. Phased but not wounded, he punched Tai in the back knocking him to the floor. He turned Tai over. He was<br> about to throw a punch when: "Tai have you seen..Oh God...no" said Kari. "Stop fighting!!!" "I have to do this Kari!" said Izzy.  
> "Fighting won't solve anything! Stop! That's enough!"<br>

### 3. Default Chapter Title

Pt. 3 of "Pretty in Pink"

><br>by Buimon/Insane TK

><br>"That's enough!" screamed Kari. Then she fainted but she still

kept

>standing. Then she started to glow. "Don't fight." The entity  
was<br>speaking through Kari again. "Wha..." said Izzy. His fist was  
in

>mid-air and he was about to hit Tai. "Fighting won't solve  
anything." <br>Then Kari fainted. Tai's mom came in the room.

"KARI!!! What did you

>do?" screamed Tai's mom. "We were fighting and Kari came in and  
<br>fainted or something." started Tai. Mrs. Kamiya took Kari out of  
the

>room. Izzy started: "I'm sorry Tai. I'm sorry I got mad at you. It's  
<br>just that what me and Mimi were doing was kind of personal and we

>didn't expect you of all people to come in." Izzy explained.

<br>"That's OK Izzy." said Tai. "No it isn't OK. What Kari said was  
right.

>Fighting won't solve anything. I'll take you to my house for  
dinner<br>tonight." offered Izzy sympathetically. "OK." agreed Tai.  
They walked in silence towards Izzy's house.

><br>\*\*\*At Izzy's house\*\*\*

><br>"Mom! I'm home! Tai's coming over for dinner!" yelled Izzy into  
the house. "Mimi phoned. You should call her back. She sounded kind  
of nervous." "Come into my room. I've got a phone dialing system on  
my laptop."(a.n. that's true! they do exist.) Izzy started typing in  
a long code and finally the computer started ringing. "Hello?" It was  
Mimi on the other end. "Mimi! It's Izzy. You called while I was  
away?" he asked. "Yes I did. Is anyone there with you?" asked Mimi.  
"Yes. Tai's here." said Izzy. "Tai, is it OK if you leave the room  
for a sec? I need to talk to Izzy privately." asked Mimi. "Sure."  
said Tai and he stepped out. "Now what is it you need to ask me  
about?" inquired Izzy. "Well, you see that night you took me  
home..That unforgettable night (a.n. this is a good time to tell you  
that this takes place when Izzy and the others are like 16 years old  
and don't know any better.)when we 'rocked the casbah'." Izzy had  
some cookie dough and was eating it but when Mimi spoke he squeezed  
it out and started sweating. "Well, I don't know how to tell you  
this, Izzy but you're a dad now." "Me? You're joking right?" said  
Izzy disbelievingly. "It's true. I went to the doctor when I started  
throwing up for no reason. He just said 'congratulations'." That did  
it. Mimi broke down and cried. "Mimi...don't cry..."started Izzy.  
"I'll be right over." he hung up and shut down his laptop. "C'mon  
Tai. We're going to Mimi's house."

><br>\*\*\*At Mimi's house\*\*\*

><br>"Izzy! I'm so glad you're here." said Mimi. "Hey Mimi. So what's  
all this about me getting you pregnant?" asked Izzy. "Well this  
morning at about 3:30, i started throwing up. I heard about women  
throwing up when they get pregnant so I went to the doctor and he  
told me that I had 'joined the club'. There's no turning back..."  
said Mimi. "Well I guess we have to be parents now." said Izzy, as if  
he had considered every other option. "Don't worry. Daddy's got us a  
good tutor and if we need to, our own apartment. We don't need much  
room." said Mimi, as if there was a glimmer of hope. "I guess so. I'd  
better go pack my stuff. It looks like we might need that apartment  
after all." said Izzy. Tai followed him out.
